

LUXAFLEX® *Modern Roman* SHADES

CASTILLO COLLECTION

Castillo is a signature collection for those who seek out the best in design. The Agra, Sula, Twain and Taos fabric ranges within this collection offer 18 unique options that are rich in texture and design.

The Agra fabric range features a dimensional and organic texture with a basket weave appearance that mixes unique yarns to create six colours with a refined and rustic style. The Sula range consists of three multi-coloured, lustrous fabrics that boast an authentic handcrafted look. The Twain range features vertical yarns that are intertwined to create three colours with a sophisticated sheen and contemporary flair. The six colours within the Taos fabric range are inspired by natural elements with the feel and appearance of grass cloth combined with a gentle subtle shimmer.

MODERN TEXTURES COLLECTION

The Modern Textures Collection is a combination of soft textures and varying woven patterns. The Heather, Jewelstone, Brooklyn Tweed and Drake fabric ranges within this Collection consist of a contemporary colour pallet of 22 exquisite colours that are sure to make a statement and create dimension at the window.

The Heather range features a muted colour pallet that boasts a subtle woven design. Jewelstone is a modern organic semi-sheer fabric range with refined horizontal finish. The Brooklyn Tweed range is a soft, yet intense blend of rich texture and a classic linear pattern. The Drake fabric range consists of a soft earth tone colour pallet with a rich texture and subtle sheen.
